"I've been in my career for 9 years and until I did this training, I had not concept of how to increase my value as a professional other than working hard. Now I know and now I feel empowered to make a larger contribution to my company".

Jennifer Cleaveland- Seattle Master Builders

THE WOMEN'S LEADERSHIP PROGRAM IS THE ONLY TRAINING PROGRAM OF ITS KIND THAT FOCUSSES ENTIRELY ON THE PROFESSIONAL

In this session we focus on three main areas:

- 1) Developing your professional "BIG PLAN" and your "Plan B" (Backup plan).
- 2) Understanding professional value (your reputation, specialized skill set, existing network) and how to build each of the three components.
- 3) Building a powerful business network that will support your advancement through the world of business. This process will drive your Big Picture and the advancement of your professional value.

This program is highly interactive and regardless of industry or experience, EVERY woman that participates will feel empowered to take her career and/or business to the next level. Like all Ghost CEO programs, this comes with a **100% guarantee**.
